MAISON

Joseph Drouhin

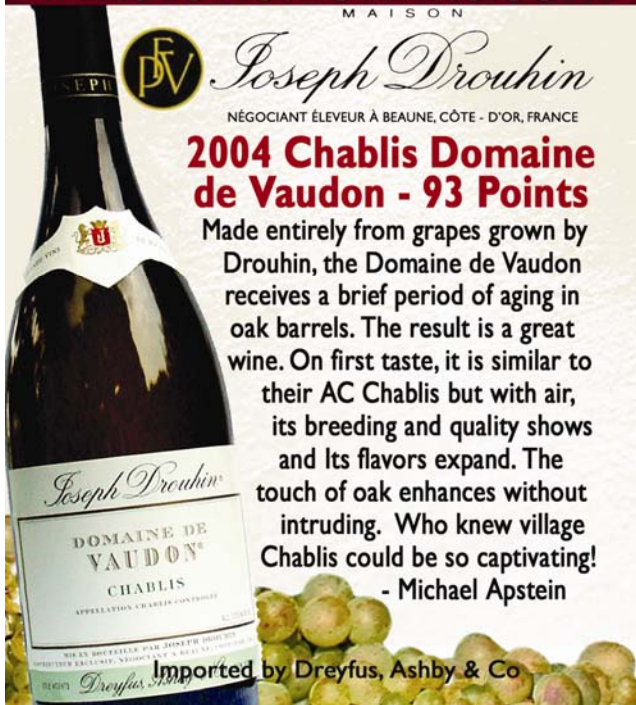

NÉGOCIANT ÉLEVEUR À BEAUNE, CÔTE - D'OR, FRANCE

2004 Chablis Domaine de Vaudon - 93 Points

Made entirely from grapes grown by Drouhin, the Domaine de Vaudon receives a brief period of aging in oak barrels. The result is a great wine. On first taste, it is similar to their AC Chablis but with air, its breeding and quality shows and its flavors expand. The touch of oak enhances without intruding. Who knew village Chablis could be so captivating!
