NÉGOCIANT ÉLEVEUR À BEAUNE, CÔTE - D'OR, FRANCE

# BROUILLY

The soil in Brouilly is made of pink and black granite: an excellent terroir for the Gamay grape which grows extremely well here. The wine is deep ruby in color, while the bouquet reveals aromas of violet, lilac and sometimes wild blackberry. The tannins are supple and the flavors are long lasting on the palate.

Imported by Dreyfus, Ashby & Co
