Joseph Drouhin

NÉGOCIANT ÉLEVEUR À BEAUNE, CÔTE - D'OR, FRANCE

MOULIN-A-VENT

Moulin-à-Vent can be favorably compared to the wines of Côte d'Or. It has good concentration and a great ability for ageing. The color is deep purple and the nose shows intense fruit with spicy, ripe aromas. On the palate, the tannins are perceptible but elegant. The finish is long.

imported by Dreyfus, Ashby & Co
