Vero PINOT NOIR

2005 Vero Pinot Noir - there is nothing not to like about this exceptional value. High-toned red cherry, raw red meat and floral aromas betray the high percentage of Chambolle in the blend as well as the perfect ripeness of the vintage. Silky and refined on the palate, with only the most discrete of tannins. This wine is a victory for consumers and for Burgundy in its battle to capture or retain the hearts and palates of American pinotphiles.
